

To My Future Valley Torah Freshies!

Hi! My name is Mrs. Miriam Striks and I am going to be your Chumash teacher for the coming year! I look forward to meeting each one of you and having a year of learning and growth in Torah and mitzvos.

In order to start the year off with some exciting learning, it is important to have a knowledge of Foundational Chumash Vocabulary. These are words which are learned during the elementary school years, and which need to be mastered before beginning high school level Chumash learning.

Foundational Vocabulary Tables

I am attaching the Foundational Vocabulary Tables for you to review. Basic Level Chumash students are responsible for knowing the words in Tables #1 - #5. It is helpful to make flashcards to help you learn any words you do not already know. You will be tested on these vocabulary words when school starts in September.

If you have any questions, please feel free to contact me! Have a great summer!

All the best,
Mrs. Striks
